

Authors

Name	Location	Contribution
Kelly M. Sunderland, MSc	Rotman Research Institute, Baycrest Health Sciences, Toronto, Canada	Drafted the manuscript; Analyzed and interpreted data; Major role in acquisition of data - assessment platforms
Derek Beaton, PhD	Rotman Research Institute, Baycrest Health Sciences, Toronto, Canada	Analyzed and interpreted data; Major role in acquisition of data - assessment platforms; Revised the manuscript
Stephen R. Arnott, PhD	Rotman Research Institute, Baycrest Health Sciences, Toronto, Canada	Major role in acquisition of data - assessment platforms; Revised the manuscript
Peter Kleinstiver, PhD	Schulich School of Medicine and Dentistry, Western University, London, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data – program manager; Revised the manuscript
Donna Kwan, PhD	Centre for Neuroscience Studies, Queen's University, Kingston, Canada	Major role in acquisition of data - assessment platforms; Revised the manuscript
Jane M. Lawrence-Dewar, PhD	Thunder Bay Regional Health Research Institute, Thunder Bay, Canada	Major role in acquisition of data - participant recruitment; Revised the manuscript
Joel Ramirez, PhD	Sunnybrook Research Institute, Sunnybrook Health Sciences Centre, Toronto, Canada	Major role in acquisition of data - assessment platforms; Revised the manuscript
Brian Tan, MSc	Rotman Research Institute, Baycrest Health Sciences, Toronto, Canada	Major role in acquisition of data - assessment platforms; Revised the manuscript
Robert Bartha, PhD	Robarts Research Institute and Department of Medical Biophysics, Western University, London, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms; Revised the manuscript
Sandra E. Black, MD	Sunnybrook Research Institute, Sunnybrook Health Sciences Centre & Department of Medicine (Neurology), University of Toronto, Toronto, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - participant recruitment; Revised the manuscript; Assisted in

		evaluation of MRI exclusionary findings in the AD/MCI cohort
Michael Borrie, MD	St. Joseph's Health Care Centre & Schulich School of Medicine and Dentistry, Western University, London, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - participant recruitment; Revised the manuscript
Donald Brien, MSc	Centre for Neuroscience Studies, Queen's University, Kingston, Canada	Major role in acquisition of data - assessment platforms
Leanne K. Casaubon, MD	Toronto Western Hospital & University of Toronto, Toronto, Canada	Major role in acquisition of data - participant recruitment
Brian C. Coe, PhD	Centre for Neuroscience Studies, Queen's University, Kingston, Canada	Major role in acquisition of data - assessment platforms
Benjamin Cornish, MSc	Department of Kinesiology, University of Waterloo, Waterloo, Canada	Major role in acquisition of data - assessment platforms; Revised the manuscript
Allison A. Dilliot, BMSc	Department of Biochemistry, Schulich School of Medicine and Dentistry, and Robarts Research Institute, Western University, London, Canada	Major role in acquisition of data - assessment platforms; Revised the manuscript
Dar Dowlatshahi, MD, PhD	Department of Medicine, University of Ottawa & Ottawa Hospital Research Institute, Ottawa, Canada	Major role in acquisition of data - participant recruitment
Elizabeth Finger, MD	Department of Clinical Neurological Sciences, Schulich School of Medicine and Dentistry, Western University & Lawson Health Research Institute, London, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - participant recruitment
Corinne Fischer, MD	Keenan Research Centre for Biomedical Research, Li Ka Shing Knowledge Institute, St. Michael's Hospital, Toronto, Canada	Major role in acquisition of data - participant recruitment; Revised the manuscript
Andrew Frank, MD	Bruyère Research Institute & University of Ottawa, Ottawa, Canada	Major role in acquisition of data - participant recruitment
Julia Fraser, MSc	Department of Kinesiology, University of Waterloo, Waterloo, Canada	Major role in acquisition of data - assessment platforms; Revised the manuscript
Morris Freedman, MD	Division of Neurology and Rotman Research Institute, Baycrest Health Sciences & Department of Medicine	Designed and conceptualized ONDRI; Major role in

	(Neurology), University of Toronto, Toronto, Canada	acquisition of data - participant recruitment
Barry Greenberg, PhD	Department of Neurology, Johns Hopkins University School of Medicine, Baltimore, USA	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms
David A. Grimes, MD	The Ottawa Hospital & University of Ottawa, Ottawa, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - participant recruitment; Revised the manuscript
Ayman Hassan, MD	Thunder Bay Regional Health Research Institute, Thunder Bay, Canada	Major role in acquisition of data - participant recruitment
Wendy Hatch, OD	Kensington Eye Institute & Department of Ophthalmology and Vision Sciences, University of Toronto, Toronto, Canada	Major role in acquisition of data - assessment platforms; Revised the manuscript
Robert A. Hegele, MD	Department of Biochemistry, Schulich School of Medicine and Dentistry, and Robarts Research Institute, Western University, London, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms; Revised the manuscript
Christopher Hudson, PhD	School of Optometry and Vision Science, University of Waterloo, Waterloo & Department of Ophthalmology and Vision Sciences, University of Toronto, Toronto, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms; Revised the manuscript
Mandar Jog, MD	London Health Sciences Centre, London, Canada	Major role in acquisition of data - participant recruitment
Sanjeev Kumar, MD	Campbell Family Mental Health Research Institute, Centre for Addiction and Mental Health & Department of Psychiatry, University of Toronto, Toronto, Canada	Major role in acquisition of data - participant recruitment; Revised the manuscript
Anthony Lang, MD	Edmond J Safra Program in Parkinson's Disease and the Morton and Gloria Shulman Movement Disorders Centre, Toronto Western Hospital & University of Toronto, Toronto, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - participant recruitment; Revised the manuscript

Brian Levine, PhD	Rotman Research Institute, Baycrest Health Sciences & Departments of Psychology and Medicine (Neurology), University of Toronto, Toronto, Canada	Major role in acquisition of data - assessment platforms
Wendy Lou, PhD	Dalla Lana School of Public Health, University of Toronto, Toronto, Canada	Major role in acquisition of data - assessment platforms
Jennifer Mandzia, MD, PhD	Department of Clinical Neurological Sciences, London Health Sciences Centre & Western University, London, Canada	Major role in acquisition of data - participant recruitment
Connie Marras, MD, PhD	Edmond J Safra Program in Parkinson's disease and the Morton and Gloria Shulman Movement Disorders Centre, Toronto Western Hospital & University of Toronto, Toronto, Canada	Major role in acquisition of data - participant recruitment; Revised the manuscript
William McIlroy, PhD	Department of Kinesiology, University of Waterloo, Waterloo, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms
Manuel Montero-Odasso, MD, PhD	Schulich School of Medicine and Dentistry, Western University & Gait and Brain Lab, Parkwood Institute and Lawson Health Research Institute, London, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms
David G. Munoz, MD	Keenan Research Centre for Biomedical Research, Li Ka Shing Knowledge Institute, St. Michael's Hospital & University of Toronto, Toronto, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms
Douglas P. Munoz, PhD	Centre for Neuroscience Studies, Queen's University, Kingston, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms; Revised the manuscript
Joseph B. Orange, PhD	School of Communication Sciences and Disorders, Elborn College, Western University, London, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms; Revised the manuscript

David S. Park, PhD	Hotchkiss Brain Institute & Department of Clinical Neurosciences, University of Calgary, Calgary, Canada	Major role in acquisition of data - participant recruitment
Stephen H. Pasternak, MD, PhD	Cognitive Neurology and Alzheimer's Disease Research Centre, Parkwood Institute & St. Joseph's Health Care Centre, London, Canada	Major role in acquisition of data - participant recruitment; Revised the manuscript
Frederico Pieruccini-Faria, PhD	Schulich School of Medicine and Dentistry, Western University & Gait and Brain Lab, Parkwood Institute and Lawson Health Research Institute, London, Canada	Major role in acquisition of data - assessment platforms; Revised the manuscript
Tarek K. Rajji, MD	Campbell Family Mental Health Research Institute, Centre for Addiction and Mental Health & Department of Psychiatry, University of Toronto, Toronto, Canada	Major role in acquisition of data - participant recruitment; Revised the manuscript
Angela C. Roberts, PhD	Roxelyn and Richard Pepper Department of Communication Sciences and Disorders, Northwestern University, Evanston, USA & School of Communication Sciences and Disorders, Elborn College, Western University, London, Canada	Major role in acquisition of data - assessment platforms; Revised the manuscript
John F. Robinson	Department of Biochemistry, Schulich School of Medicine and Dentistry, and Robarts Research Institute, Western University, London, Canada	Major role in acquisition of data - assessment platforms
Ekaterina Rogaeva, PhD	Tanz Centre for Research in Neurodegenerative Diseases, University of Toronto, Toronto, Canada	Major role in acquisition of data - assessment platforms
Demetrios J. Sahlas, MD	Department of Medicine, McMaster University, Hamilton, Canada	Major role in acquisition of data - participant recruitment
Gustavo Saposnik, MD, PhD	Li Ka Shing Knowledge Institute, St. Michael's Hospital & Department of Medicine (Neurology), University of Toronto, Toronto, Canada	Major role in acquisition of data - participant recruitment
Christopher J.M. Scott, MSc	Sunnybrook Research Institute, Sunnybrook Health Sciences Centre, Toronto, Canada	Major role in acquisition of data - assessment platforms; Revised the manuscript

Dallas Seitz, MD, PHD	Cumming School of Medicine, University of Calgary, Calgary, Canada	Major role in acquisition of data - participant recruitment
Christen Shoesmith, MD	London Health Sciences Centre, London, Canada	Major role in acquisition of data - participant recruitment
Thomas D.L. Steeves, MD	Division of Neurology, St. Michael's Hospital, Toronto, Canada	Major role in acquisition of data - participant recruitment; Revised the manuscript
Michael J. Strong, MD	Canadian Institutes for Health Research, Ottawa & Schulich School of Medicine and Dentistry and Robarts Research Institute, Western University, London, Ontario, Canada	Designed and conceptualized ONDRI
Stephen C. Strother, PhD	Rotman Research Institute, Baycrest Health Sciences & Department of Medical Biophysics, University of Toronto, Toronto, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms; Revised the manuscript
Richard H. Swartz, MD, PhD	Sunnybrook Research Institute, Sunnybrook Health Sciences Centre & Department of Medicine (Neurology), University of Toronto, Toronto, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - participant recruitment; Analyzed and interpreted data; Revised the manuscript
Sean Symons, MD	Sunnybrook Research Institute, Sunnybrook Health Sciences Centre & Department of Medical Imaging, University of Toronto, Toronto, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms; Assisted in evaluation of MRI exclusionary findings in the AD/MCI cohort
David F. Tang-Wai, MD	Krembil Research Institute, Toronto Western Hospital & Department of Medicine (Neurology), University of Toronto, Toronto, Canada	Major role in acquisition of data - participant recruitment; Revised the manuscript
Maria Carmela Tartaglia, MD	Tanz Centre for Research in Neurodegenerative Diseases, University of Toronto & Krembil Research Institute, Toronto Western Hospital, Toronto, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - participant recruitment
Angela K. Troyer, PhD	Neuropsychology and Cognitive Health, Baycrest Health Sciences &	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment

	Department of Psychology, University of Toronto, Toronto, Canada	platforms; Revised the manuscript
John Turnbull, MD, PhD	Department of Medicine, McMaster University, Hamilton, Canada	Major role in acquisition of data - participant recruitment
Lorne Zinman, MD	Sunnybrook Research Institute, Sunnybrook Health Sciences Centre & Department of Medicine (Neurology), University of Toronto, Toronto, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - participant recruitment
Paula M. McLaughlin, PhD	Nova Scotia Health Authority and Dalhousie University, Halifax & Centre for Neuroscience Studies, Queen's University, Kingston, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - assessment platforms; Analyzed and interpreted data; Revised the manuscript
Mario Masellis, MD, PhD	Cognitive & Movement Disorders Clinic and L.C. Campbell Cognitive Neurology Research Unit, Hurvitz Brain Science Program, Sunnybrook Research Institute, Sunnybrook Health Sciences Centre & Department of Medicine (Neurology), University of Toronto, Toronto, Canada	Designed and conceptualized ONDRI; Major role in acquisition of data - participant recruitment; Revised the manuscript
Malcolm A. Binns, PhD	Rotman Research Institute, Baycrest Health Sciences & Dalla Lana School of Public Health, University of Toronto, Toronto, Canada	Major role in acquisition of data - assessment platforms; Analyzed and interpreted data; Revised the manuscript

ONDRI Investigators

Name	Location	Role	Contribution
Agessandro Abrahao, MD	Sunnybrook Health Sciences Centre, Toronto, Canada	Associate Scientist	Patient recruitment
Sabrina Adamo, HBSc	Sunnybrook Health Sciences Centre, Toronto, Canada	Imaging Analyst	Structural neuroimaging data processing
Courtney Berezuk, HBSc	Sunnybrook Health Sciences Centre, Toronto, Canada	Imaging Analyst	Structural neuroimaging data processing
Alanna Black, MSc	Lawson Health Research Institute, London, Canada	Lab Manager	Gait and balance platform administration
David Breen, MBChB, PhD	Centre for Clinical Brain Sciences, The University of Edinburgh	Senior Clinical Research Fellow	Content discussions
Dennis Bulman, PhD	Alberta Public Laboratories, Edmonton, Canada	Genomics Senior Investigator	Genomics platform conceptualization and methodology
Ying Chen, PhD	Queen's University, Kingston, Canada	Post-doctoral Fellow	Content discussions
Sherif El-Defrawy, MD, PhD	Kensington Eye Institute, Toronto, Canada	Ophthalmology Investigator	Retinal imaging protocol development
Sali Farhan, PhD	Harvard Medical School, Boston, USA	Genetics Investigator	Genomics platform conceptualization and methodology
Mahdi Ghani, MD, PhD	Department of Genetics, CHEO, Ottawa, Ontario, Canada	Genetics Investigator	Genomics platform conceptualization and methodology
John Gonder, MD	Ivey Institute, London, Canada	Ophthalmology Investigator	Retinal imaging protocol development, supervision of data acquisition
Seyyed M.H. Haddad, PhD	Western University, London, Canada	Research Associate	Diffusion tensor imaging data processing and curation
Melissa Holmes, HBSc	Sunnybrook Health Sciences Centre, Toronto, Canada	Imaging Analyst	Structural neuroimaging data processing
Jeff Huang, BSc	Queen's University, Kingston, Canada	Graduate Student	Eye tracking data processing and curation
Elena Leontieva, PhD	Kensington Eye Institute, Toronto, Canada	Post-doctoral Fellow	Retinal imaging data processing and curation
Efrem Mandelcorn, MD	University of Toronto, Toronto, Canada	Ophthalmology Investigator	Retinal imaging protocol development, supervision of data acquisition

Edward Margolin, MD	University of Toronto, Toronto, Canada	Ophthalmology Investigator	Retinal imaging protocol development, supervision of data acquisition
Nuwan Nanayakkara, PhD	Western University, London, Canada	Research Technologist	Structural neuroimaging data preprocessing
Miracle Ozzoude, HBSc	Sunnybrook Health Sciences Centre, Toronto, Canada	Imaging Analyst	Structural neuroimaging data processing and curation; Content discussions
Alicia J. Peltsch, PhD	Queen's University	Research Projects, Compliance, & Quality Control Lead	Neuropsychological data monitoring
Bruce Pollock, MD, PhD	Centre for Addiction and Mental Health, Toronto, Canada	Site Investigator	Patient recruitment
Pradeep Raamana, PhD	Baycrest Health Sciences, Toronto, Canada	Post-doctoral Fellow	Structural neuroimaging data processing; Content discussions
Natalie Rashkovan, MHSc	Sunnybrook Health Sciences Centre, Toronto, Canada	Program Manager	Study conceptualization and methodology
Yanina Sarquis-Adamson, PhD	Lawson Health Research Institute, London, Canada	Research Coordinator	Gait and balance platform administration
Alisia Southwell, HBSc	Sunnybrook Health Sciences Centre, Toronto, Canada	Research Coordinator	Clinical and neuropsychological data curation; Content discussions
Sujeevini Sujanthan, BSc	Baycrest Health Sciences, Toronto, Canada	Research Assistant	Quality control verification
Faryan Tayyari, PhD	Kensington Eye Institute, Toronto, Canada	Post-doctoral Fellow	Retinal imaging data processing and curation; Content discussions
Athena Theyers, MSc	Baycrest Health Sciences, Toronto, Canada	Research Assistant	Functional neuroimaging data processing
Abiramy Uthirakumaran, BSc	Baycrest Health Sciences, Toronto, Canada	Research Assistant	Clinical data curation and quality control verification
Karen Van Ooteghem, PhD	University of Waterloo, Waterloo, Canada	Assistant Professor	Study conceptualization and methodology
Mojdeh Zamyadi, MSc	Baycrest Health Sciences, Toronto, Canada	Research Assistant	Functional neuroimaging data processing and curation
Guangyong Zou, PhD	Western University, London, Canada	Professor	Study conceptualization and methodology
