

Manuscript withdrawal statement

Title: The relationship between antibiotic use in humans and poultry and antibiotic resistance prevalence in humans: an ecological regression study of *Campylobacter* in the UK

Authors: Eve Emes¹, Javier Guitian², Gwenan Knight¹, Nichola Naylor³

¹London School of Hygiene and Tropical Medicine (LSHTM)

²Royal Veterinary College (RVC)

³UK Health Security Agency (UKHSA)

Reason: the authors have withdrawn this manuscript because, upon running further robustness tests, some of the results presented in the preprint were determined not to be robust. Therefore, the authors do not wish this work to be cited as reference for the project. If you have any questions, please contact the corresponding author.
