Date: 11/09/2020

Ref: " Comparative study of efficacy of various adjunct treatment options in adult COVID-19 illness: A Case Control Study "

Dear Dr. Janak Khambholja,  
At the meeting held on 9<sup>th</sup> September, 2020, the Institutional Review Board, Smt. NHL Municipal Medical College [NHLIRB] reviewed and discussed your application for approval of your research study titled, " Comparative study of efficacy of various adjunct treatment options in adult COVID-19 illness: A Case Control Study" along with your co investigators Dr. Nehal Shah and Dr. Nilay Suthar

The following documents were reviewed during the meeting:  
**Study Protocol including case record form**

During the meeting, the members of the NHLIRB reviewed the submitted documents and discussed the study in detail. The investigators were able to answer the queries raised by the committee satisfactorily.

A sub study "Characteristics of severity in COVID-19 Pneumonia: a retrospective Observational Study" from the data collected there was also proposed by your study team.

The committee decided to collectively approve the conduct of both the above studies in the presented form.

The following members of the committee were present/voted in the meeting and were involved in the approval process:

Dr B D Mankad, Chairperson, Prof & Head, Dept. of Medicine, GCS  
Dr Nadim Lil, Prof of Orthopedics, SVP, NHLMMC  
Dr Nilima Shah, Assoc. Prof., Dept.of Psychiatry, SVP, NHLMMC  
Dr Shashwat Jani, Assoc. Prof., Dept of ObGy.,NHLMMC  
Dr Falguni Majmudar, Member Secretary, Asst Prof., Dept of Pharmacology, NHLMMC  
Dr Tanmay Mehta, Asst Prof., Dept of Microbiology, NHLMMC  
Dr Devang Rana, Member, Asst. Prof., Dept of Pharmacology, NHLMMC  
Mr Narendra Shah, Member, Social Worker  
Mr Amit Dave, Legal Advisor, AMC

#### Please Note:

You are requested to update NHLIRB about the progress of the study. You are directed not to violate the protocol and inform NHLIRB about protocol deviation immediately. You are also directed to intimate NHLIRB any change/ amendment in Protocol/Informed consent/Questionnaire and submit FINAL REPORT of the study at the completion of the study.

  
Dr Falguni Majmudar  
Member Secretary
