#### **This PDF file includes:**

- **Table S1. Descriptive statistics of the whole sample: January 1<sup>st</sup> 2018 to June 30<sup>th</sup> 2020**
- **Tables S2 to S9. Different specifications of the Diff-in-Diff models are presented in these tables, basically using different definitions of the sample period and of the post-outbreak periods.**
- **Stata Code**

**Table S1. Descriptive statistics**
