**SUBJECT: IEC APPROVAL LETTER**  
**(IEC REGD NO: ECR/J66/Inst/Woodlands/2013/RR-20)**

A meeting of Institutional Ethics Committee of WOODLANDS MULTISPECIALITY HOSPITAL on 21.06.2021 virtually from 17.30- 19.30pm. In this meeting a research proposal title "*A comparative study of Bacterial culture isolates, site of infection, antibiogram between COVID and non COVID patients admitted in a tertiary care hospital: Descriptive and retrospective data of a year*" of which you are the principal investigator and Dr D.N.Mukherjee<sup>2</sup>, Dr Soumyadeep Seal<sup>3</sup>, Dr Hindol Dasgupta<sup>4</sup> Dr Mainak Chakraborty<sup>5</sup>, Department of Clinical Microbiology, Department of Pulmonology Woodlands Multispecialty Hospital are co-investigators were reviewed.

The following additional documents submitted by you were also reviewed:

1. Study synopsis
2. Proforma for data analysis.

After deliberation and review the committee thinks the study be done in two portions; first including pilot group so as to corroborate data findings and statistical analysis more suitable. Also as retrospective patient antibiogram data belongs to hospital management, a due NOC / Allowance letter would be necessary from the Hospital management appropriate authority to initiate the study trial. NOC from the hospital management has been received and hence the committee has **APPROVED** the study to be initiated.

The list of committee members present are appended herewith:
