Exploring why Quality Circles work in Primary Health Care: A realist approach about how, why and under what circumstances they work - 18/12/2014

We appreciate your interest in participating in this research! Quickly read through these terms before agreeing to participate.

Please tick the appropriate boxes

Yes No

Taking Part

I have read and understood the research information sheet dated 17/12/2014. Yes No

I have been given the opportunity to ask questions about the project. Yes No

I agree to take part in the project. Taking part in the project will include being interviewed and recorded audio. Yes No

I understand that my taking part is voluntary; I can withdraw from the study at any time and I do not have to give any reasons for why I no longer want to take part. Yes No

Use of the information I provide for this project only

I understand my personal details such as phone number and address will not be revealed to people outside the project. Yes No

I understand that my words may be quoted in publications, reports, web pages, and other research outputs. Yes No

*Please choose **one** of the following two options:*

I would like my real name used in the above

I would **not** like my real name to be used in the above.

Use of the information I provide beyond this project

I agree for the data I provide to be archived at the UK Data Archive.¹ Yes No

I understand that other genuine researchers will have access to this data only if they agree to preserve the confidentiality of the information as requested in this form. Yes No

I understand that other genuine researchers may use my words in publications, reports, web pages, and other research outputs, only if they agree to preserve the confidentiality of the information as requested in this form. Yes No

So we can use the information you provide legally

I agree to assign the copyright I hold in any materials related to this project to Adrian Rohrbasser. Yes No
