Table S1: Selected International Classification of Diseases (ICD-10) codes and diagnosis categories.

| Category | ICD-10 codes |
|---------------|---|
| COVID-19 | U07.1 U07.2 |
| RSV infection | J12.1 J20.5 J21.0 |
| Other RTI | J00 J02.0 J02.8 J02.9 J03.0 J03.8 J03.9 J04.0 J04.1 J04.2 J05.0 J05.1 J06.0 J06.8 |
| | J06.9 J12.0 J12.2 J12.3 J12.8 J12.9 J13 J14 J15.0 J15.1 J15.2 J15.3 J15.4 J15.5 J15.6 |
| | J15.7 J15.8 J15.9 J16.0 J16.8 J17.0 J17.1 J17.2 J17.3 J17.8 J18.0 J18.1 J18.2 J18.8 |
| | J18.9 J22 J20.0 J20.1 J20.2 J20.3 J20.4 J20.6 J20.7 J20.8 J20.9 J09 J10.0 J10.1 J10.8 |
| | J11.0 J11.1 J11.8 |

Table S2: Descriptive statistics.

| | | 1-12 months | 1 | | 1-5 years | |
|---------------|----------|-------------|-----------|------------|---------------------------|----------------|
| | COVID-19 | RSV | Other RTI | COVID-19 | RSV | Other RTI |
| Children, N | | | 34, | 214 | | |
| Children, N | | 12,058 | | | 23,682 | |
| Children, N | 53 | 2,438 | 9,600 | 74 | 1,540 | 22,362 |
| Contacts, N | 53 | 2,438 | 9,695 | 75 | 1,571 | 24,762 |
| Person-weeks, | | | | | | |
| N | 1,141 | 53,346 | 220,617 | 1,742 | 37,824 | 607,009 |
| Females, N | 23 | 1,072 | 3,975 | 33 | 670 | 10,313 |
| (%) | (43.4) | (44.0) | (41.0) | (44.0) | (42.6) | $(41 \cdot 6)$ |
| Age, median | 2 | 2 | 3 | 2.4 | 1.6 | 2.1 |
| [25%-75%] | [2-4] | [1-5] | [2-7] | [1.55-3.5] | $[1 \cdot 2 - 2 \cdot 3]$ | [1.4-3.2] |

Note: Age presented as median and interquartile range (IQR) age in months/years at admission. The calculation of age and sex percentages are done using the number unique hospital contacts in the denominator. Due to the 6-month washout period, some children appear in >1 of the age and/or diagnosis groups.

Table S3: Crude percentages of health care use.

| | | | 1-12 n | nonths | | 1-5 years | | | | | | |
|------|--------------|-------|--------|--------|---------------------------------|-----------|-------|-------|-------|------|-----------|------|
| | COVID-19 RSV | | | | COVID-19 RSV Other RTI COVID-19 | | | | RS | SV | Other RTI | |
