Categories included in the MS Excel database, with screenshots

1. ID
2. Title (Open-ended)
3. Publishing 'authority' (Drop down: Independent author/s; Media house; Funding agency; Development agency; Government [specify]; Other [specify])
 - (a) If GOVERNMENT, specify
 - (b) If OTHER, specify
4. Type of document: (Drop down: Book; Report; Guidelines; Conference abstract; Conference presentation; Conference proceedings; Scientific article (peer-reviewed); Scholarly article (non-peer-reviewed or uncertain) (e.g. Perspective); 'Official' media report; Blog; Other [specify])
 - (a) If OTHER, specify
5. Authors Compilers (if listed)
6. Donor / Development support (Dropdown: YES / NO / UNSURE)
If YES:
 - (a) Linked to a time-limited or once-off project? YES / NO / UNSURE
 - (b) Specify further (open-ended - will be clustered at a later stage if needed)
7. Country/ies (open-ended – will be clustered at a later stage if needed) If no country, use "Unknown" or "General" or another term that may emerge as relevant during the review
8. KMC coverage mentioned? YES / NO
If YES:
 - (a) Page number(s)
 - (b) Key issues mentioned (if applicable)
 - (c) Grading of document regarding coverage:
A = quantitative information on HIGH KMC coverage (> 50%)
B = quantitative information on ANY KMC coverage
C = mention of HIGH coverage without quantitative information
D = mention of ANY coverage without quantitative information
E = NO mention of coverage
9. KMC implementation mentioned? YES / NO
If YES:
 - (a) Page number(s)
 - (b) Key issues mentioned
 - (c) Health system interventions mentioned? YES / NO/ UNSURE
 - (i) If YES, more detailed analysis needed? YES / NO/ UNSURE
 - If YES or UNSURE, mark the ID cell in RED
10. KMC improvement/strengthening mentioned? YES / NO
If YES:
 - (a) Page number(s) and key issues mentioned
 - (b) Key issues mentioned
 - (c) Health system interventions mentioned? YES / NO / UNSURE
 - (i) If YES, more detailed analysis needed? YES / NO / UNSURE
 - If YES or UNSURE, mark the ID cell in RED
11. KMC scale-up mentioned? YES / NO
If YES:
 - (a) Page number(s) and key issues mentioned
 - (b) Key issues mentioned
 - (c) Health system interventions mentioned? YES / NO / UNSURE
 - (i) If YES, more detailed analysis needed? YES / NO / UNSURE
 - If YES or UNSURE, mark the ID cell in RED
 - (d) Grading of document regarding health interventions related to KMC implementation and scale-up:
A = detailed information on MORE THAN ONE COMPONENT of health interventions
B = detailed information on ONLY ONE COMPONENT of health interventions
C = mention MORE THAN ONE COMPONENT of health interventions

D = mention ONLY ONE COMPONENT of health interventions

E = NO mention of any components of health interventions

12. Quality: KMC initiation mentioned? YES / NO / UNSURE
If YES or UNSURE: (a) Describe:
13. Quality: KMC dose (e.g. hours per day) mentioned? YES / NO / UNSURE
If YES or UNSURE: (a) Describe:
14. Quality: KMC duration (number of days) mentioned? YES / NO / UNSURE
If YES or UNSURE: (a) Describe:
15. Availability of KMC services (number of facilities providing KMC) mentioned? YES / NO / UNSURE
If YES: (a) Numbers mentioned? YES / NO
(i) If YES, describe (including if any comparison with total number of facilities with maternity and neonatal services):
16. First analysis completed? YES (when done) (Mark cell in GREEN) (Continue with an in-depth analysis of documents marked red in the ID cell)
