Queensland Health Questionnaire

	Content displayed	Selection option	Subsequent direction / advice	Alignment to PCFS Grade
Q1	Do you understand the participant information and wish to proceed?	<input type="checkbox"/> Yes	To Frame and Q2	
		<input type="checkbox"/> No	Unfortunately we are unable to continue. If you have any questions, please call 13HEALTH (13 43 25 84) [End]	
[Frame] When answering the questions, please think about how your life and health are <u>now</u> , compared with <u>before</u> you got the symptoms that resulted in the [COVID-19* / influenza*] test on @@Date@@. [<i>*appropriate test displayed</i>]				
Q2	Has your health returned to the level it was before you needed to do the test on @@Date@@?	<input type="checkbox"/> Yes - because I no longer have the symptoms that resulted in my test.	To Q5	PCFS Grade = 0
		<input type="checkbox"/> No - because I am still experiencing ongoing symptoms.	To Q3	See Q3
		<input type="checkbox"/> No - because I am currently unwell with unrelated symptoms or new illness.	If you are concerned about these new symptoms, please see your doctor or call 13HEALTH (13 43 25 84). (To Q5)	N/A
Q3	Have your levels of everyday activity returned to where they were before your test on @@Date@@? For example, are you capable of working the same work hours as before the test; can you look after yourself to the same level as before the test; can you undertake the same usual activities (like	<input type="checkbox"/> Yes	Q5	PCFS Grade = 1
		<input type="checkbox"/> No	Q4	See Q4

	exercise/sport, duties at home) as before the test?			
Q4	Please select one option below that best describes your current levels of health and everyday activity.	<input type="checkbox"/> Because of my ongoing symptoms, I occasionally need to reduce, spread out or avoid some usual daily activities. However, I can perform these activities without any assistance.	Q5	PCFS = 2
		<input type="checkbox"/> Because of my ongoing symptoms, I can no longer perform all my usual activities. However, I can take care of myself without any assistance.		PCFS = 3
		<input type="checkbox"/> Because of my ongoing symptoms, I have severe restrictions on my usual activities. I now cannot take care of myself and am dependent upon another person (eg nurse, family member).		PCFS = 4
Q5	Can Queensland Health contact you again to understand more about your recovery?	<input type="checkbox"/> Yes	Submit Button [End]
