Request date (DD/MM/YYYY)	27/09/2024

Dear Sir/Madam

I am requesting the opinion of the Scientific and Ethics Committee of the Hospices Civils de Lyon on the above-mentioned database study, for publication.

Please do not hesitate to contact me if you require any further information.

Opinion from the Scientific and Ethics Committee

On behalf of the Scientific and Ethics Committee, after careful examination, I formally confirm that none ethical approval was required for the paper entitled "Validation of a Pan-Cancer NGS Liquid Biopsy Test for Routine Hospital Use: An International Multicenter Clinical Performance Evaluation".

We thank you for submitting this request to the Scientific and Ethics Committee.

Yours sincerely

Pr Cyrille CONFAVREUX,
Président du Comité Scientifique et Ethique des
Hospices Civils de Lyon
Head of the Scientific and Ethics Committee
