Student's full name: _____

Title: STUDY ABOUT THE PARASITOSIS PREVALENCE IN THE TOWN OF GHINDAE

First and foremost greetings, we are a group of students from the Asmara college of health sciences. We have come to conduct a study on the prevalence of parasites. This study will target the parasites that cause abdominal discomfort, diarrhoea, nausea, vomiting and abdominal cramps. The results will then be used to determine the overall prevalence of the parasitosis of these organisms in the town of Ghindae.

The problems of these parasites is as mentioned above. In accordance with their transmission schemes, this study will be conducted on elementary and junior school students of Ghindae area. The participants of this study will be required to submit a stool sample and we will take two small drops of blood from the fingers by pricking. The stool sample will be used in the diagnosis of the presence of parasites and the blood drop will be used in assessment of anaemia in the participant student.

Results will be prepared after processing the samples. In this light; for the participants/ students with positive parasitosis and anemia, ways for medical help and fast treatment will be facilitated. The results will be held confidential and report of positive individuals will be notified to concerned parties for proper treatment according to standard guideline for intestinal parasitic infection and anemia.

This study is fully dependent on your consent. After you fully understand the purposes of this study if you are consentious; you are authorizing us to take stool and blood sample from the participant/ student you represent. At the end, if you are not willing to participate in this study we assure you that there will be no consequences whatsoever.

Full name of guardian: _____

Relationship with the participant: _____

Signature: _____ Date: _____

Name of the study conductor: _____

Signature: _____ Date: _____

Appendix II: Questionnaire

The purpose of this questionnaire is to gather data on risk factors for parasitic infection, malnutrition and anemia in school age children in Ghindae subzone. It is conducted with the aim of obtaining information to the research as the partial fulfillment of the requirement for the award of Bachelor of Science of Clinical laboratory sciences. To attain its objective you are kindly requested to give reliable information. The researcher assures you that your response will be confidential and only to be used for the purpose of the study; moreover, when filling this questionnaire you don't need to write your name.

Thank you in advance

Part 1: demographic information

The following questions refer to the child

Sex; Male _____ Female _____ B. Age: _____ years

Height: _____ cm D. Weight: _____ Kg

1. Do you eat regularly, how many times a day?

A. One meal per day B. two meal per day C. Three and more meal per day

2. Do you wash your hands properly?

A. Yes B. No

3. Do you know the purpose of washing your hands?

A. Yes B. No

4. When do you think you should wash your hands?

A. Before and after eating food B. After playing C. After defecating/urinating D. Other

5. Are his/her fingers clean?

A. Yes B. No

6. Are his/her finger nails trimmed?

A. Yes B. No

7. Where do you defecate when you are at home?

A. Toilet B. River C. Open field D. Farm place E. Other

8. Where do you defecate when you are at school

A. Toilet B. River C. Open field D. Farm place E. Other

9. What kind of shoes do you frequently wear?

A. Flip-flops B. Shida C. Sandals D. Sneakers E. Other

10. What is he/she wearing at the time of interview?

A. Flip-flops B. Shida C. Sandals D. Sneakers E. Other

11. Do you walk bare-footed?

A. Yes B. No

12. If your answer is YES to number 11's question:

Where do you walk bare foot?

A. Farm place B. House compound C. Around a river D. School E. Other _____

How frequently do you walk bare foot?

A. When at home B. While playing C. When defecating D. When I go run errands for my family E. Other _____

13. Have you ever felt very itchy at your feet sole or your shin?

A. Yes B. No

14. If your answer to number 13's question is YES;

Describe the distribution of the itch;

A. Intensely at one area B. It covered a large area C. Don't remember D. Other_____

15. Have you ever encountered small insect looking parasites in your stool?

A. Yes B. No

Second questionnaire: The following questions refer to the Guardian

A. *Questions about the student*

1. Has your child been sick (stomach ache) within the past month?

A. Yes B. No

2. If your answer to number 1's question is YES;

Which of the following describes the sickness best?

A. Diarrhea B. Bloating C. Vomiting and nausea D. Other_____

What kind of stool did you observe when he/she got sick?

A. Constipated B. Non bloody diarrhea C. Bloody diarrhea D. Other_____

Regarding these conditions has your child being medicated?

A. Yes B. No

If your answer is YES when was the time of medication?

A. Still being medicated B. Finished within the past two weeks C. Finished before the past two weeks

Where was your child medicated?

A. Government's health center B. Private clinic C. Pharmacy D. Traditional healers

B. *Questions about the family*

1. Family size: _____

2. Educational status :

Mother : A. Illiterate B. Read and write C. Elementary D. Junior E. Secondary F. Higher education

Father : A. Illiterate B. Read and write C. Elementary D. Junior E. Secondary F. Higher education

3. Ethnicity: A. Tigrinya B. Tigre C. Saho D. Other_____

4. Religion: A. Muslim B. Orthodox C. Catholic D. Protestant E. Other_____

5. Mother's age: _____

6. Current occupation of father

A. Farmer B. Trader C. Government job D. National service E. Daily laborer F. Other_____

7. Current occupation of mother

A. Farmer B. Trader C. Government job D. National service E. Daily laborer F. Other_____

8. If the parents occupation is Farmer:

Does the child help/engage in any farming activities?

A. Yes B. No

What type of fertilizers do you use?

A. Human waste/stool B. Eiba (Manure, i.e., cow dung) C. Man made D. Other_

9. Where do you live?

A. Zone 1 B. Zone 2 C. Zone 3 D. Other_____

10. Do you have a toilet at home?

A. Yes B. No

11. If your answer to number 10's question is YES:

11.1 What type of toilet do you have?

A. Traditional (Not flushable) B. Modern (Flushable)

11.2 Who uses the toilet?

A. One family B. More than one family

11.3 How frequent do you use the toilet when at home?

A. Always B. Sometimes C. We don't use it at all

12. Where do you get drinking water from?

A. Spring B. Pond C. River D. Tap water E. Water tank trucks (Bot) F. Other_____

13. Where do you put the water for drinking?

A. Eitro (Clay reservoir) B. Jericans C. Fisto D. Other_____

14. Does your water reservoir has covering? A. Yes B. No

15. How do you use drinking water?

A. Boiling B. Chlorine treatment C. Use of sheb (Chloride silica stone) D. Filtration
E. Direct F. Other_____

16. Where do you wash your clothes?

A. By river side B. At home C. At pond D. Other_____

17. How do you dispose household wastes?

A. Bury underground B. incinerated C. Open field D. Thrown in the river E. Other_____

18. What type of soil is the student house playground or compound?

A. Sandy B. Dusty/Clay soil C. Full of grass D. Other_____

19. Does the student practice religious fasting?

A. Yes B. No

20. Does your child had any soil eating behavior (Pica) when he was little?

A. Yes B. No

21. What type of activities does your child dwell at home?

A. Farming B. Fetching Water C. Home activities D. Other_____

22. How frequently do you eat uncooked vegetable?

A. Less than Once per week B. 1-2 /week C. 3-5 /week D. More than 5times /week

23. How frequently do you eat cooked vegetables at home?

A. Less than Once per week B. 1-2 /week C. 3-5 /week D. More than 5 times /week

24. How frequently do you consume milk and its products at home?

A. Less than Once per week B. 1-2 /week C. 3-5 /week D. More than 5 times /week

25. How frequently do you eat meat at home?

A. Less than Once per week B. 1-2 /week C. 3-5 /week D. More than 5 times /week

26. How frequently do you eat fruits at home?

A. Less than Once per week B. 1-2 /week C. 3-5 /week D. More than 5 times /week

27. What kind house floor do you have?

a. unfinished soil b. Cemented c. Tiled

28. Do you have garden at home? A. Yes B. No

29. If you answered YES: Does your child help in the garden? A. Yes B. No

30. Does the student defecate around the farm place?

A. Yes B. No

31. If you are willing, what is your phone number? _____

32. Marital status of the parents:

A. Together B. Divorced C. Widowers D. Not living together

33. What is your average income per month? _____
