This generosity at a critical time in the #coronavirus
outbreak is so good to see. Thank you @billgates,
@melindagates, @gatesfoundation

Coronavirus is manmade, and was there already in the
1950's.

Nowadays only modified. Again used upon the people.
Mainly to spread fear and used for the vaccination-
campaigns through mainstream media. #coronavirus

Here's a headline I wasn't expecting. In related news: I
predict a reduction in sales of #snakes for human food
consumption. #coronavirus
