Submission Statement

The Authors must declare with their signatures that they additionally agree to the following points:

- Any financial (funding, stocks, patents, employment, honoraria, royalties) or non-financial (political, personal, professional) interests/relationships that may be interpreted to have influenced the manuscript have been identified in a 'Conflicts of Interest' statement at the end of the manuscript. If there is no conflict of interest, please state "The Authors declare no conflict of interest".
- Financial support for the study as well as any role of funding bodies or others regarding the research or manuscript preparation has been listed in the 'Acknowledgments' section of the manuscript.
- Permission for any tables, images, figures or illustrations that have been published elsewhere have been received in writing from the copyright holder and will be delivered to the Editors if requested.

- All Authors have made a significant contribution to the paper. Each author approves the final version of the submitted manuscript and the submission to *Case Reports in Gastroenterology*.
- The work has not been published previously (in whole or in part), in any language (except as an abstract of 400 words or less), unless so noted in the cover letter and with appropriate references in the text (only for purposes of providing the context for new data). Likewise, the material is not under simultaneous consideration for publication elsewhere.
- Studies on human subjects were conducted in accordance with the Declaration of Helsinki. Accordingly, the Authors declare that subjects have given their informed written consent and that the study protocol was approved by an appropriate ethics committee. Further, the Authors declare that animal experimentation was approved by the appropriate institutional review body.
- The Authors warrant that they have not granted or assigned any rights in the article to any other person or entity, that the article is copyrightable, and that it does not infringe upon any copyright, trademark, or patent.
- The full and correct name, affiliation and E-mail address of all Authors has been entered in the submission system.
- S. Karger AG may provide a cooperating partner ('the Partner') with all the information about the authorship that the Partner essentially requires to carry out appropriately the services agreed with the Publisher. Any data transfer to the Partner is permitted solely in case the provided services are in a close relationship with the publication of the submitted manuscript and specific promotional activities of the respective article and the appropriate journal.
